Cookie Bake

Thank you for all your hard work gathering orders! If you have any late orders, please try to get them in by Monday!

Look for an email next week regarding the Cookie Bake schedule for the following week. Please review it for your baking time or any additional time that you can help us make cookies! We appreciate all your help making this a successful fundraiser!!

Walk-A-Thon All School Celebration

On Wed., Nov. 22nd, the students will be watching a movie to celebrate reaching and surpassing our Walk-A-Thon school goal! The children are invited to bring their PJ's and comfy pillows/blankets on Wednesday for the movie. Please remember the children need to dress appropriately for Mass in the morning and then can change into their PJ's after Mass.

Vision and Hearing

Your child was tested today, Friday, for vision and hearing. Thank you to the parents that helped with the testing. If your child had any difficulty and needs retesting, we will notify you in a few weeks.

Christmas Program

This year, our annual Christmas Program will be at St. John's Church and the Emmaus Trinity Center. We were not able to schedule our practice times and program at the Foley High School due to increased use of their facility. Our program will be performed at 1:00pm and 7:00pm, with a small reception in the Emmaus Trinity Center after each performance, hosted by the 6th Graders. We are very excited to have the program on our campus and look forward to sharing our Christmas spirit with you and your family!

Playground Fence Repair

Our playground fence and backstop were damaged by a car this last October. The fences along 6th Avenue and Highway 23 are being repaired and we are getting a new backstop. The repair work started today and should be completed by next week.

Warm Clothing

Please be sure your child(ren) bring hats, mittens, snow pants, and boots as the weather turns colder! It gets very breezy and cold on the playground in the winter!
