Looking Ahead...

Please note that there has been a change in our school calendar for February 26th. St. John's Area School will be in session on Monday, February 26th. The teacher's Diocesan in-service has been canceled. The correction will be made on the website's school calendar for future reference.

Playground Fence Repair

The playground fence repair work will be completed by Monday. You will notice that the art work had to completely come down in order for the new fence to be installed on Hwy 23. The children in grades 3-6 (and a few 2nd graders) spent their recess today helping us take all the decorative "cups" off the old fence. Their help was greatly appreciated!! The artist will recreate the mural, however, he will not be able to install the art work until a later date.

Cookie Bake

The updated volunteer list for the Cookie Bake is attached. Please look it over carefully for your day/time to help make cookies! Some of you may have younger children with you when you are volunteering. Please note that we will not be providing supervision for younger children during the Cookie Bake.

There are still open spots if you were not able to sign up or if you want to put in additional time, just give the office a call!
