Volunteer Hours

Please be sure to fill out the pink slips (found in your red Open House folders) for the hours that you volunteer, then turn them into the office! We require each family to volunteer 8 hours or more each school year. Your help is deeply appreciated!

Bullying Prevention

Each month we concentrate on a key phrase or message to help keep bullying prevention effective and consistent throughout the year. During the month of November the key message is "Everyone needs to learn to live in peace." Along with that message, we are concentrating on the virtues of Cooperation, Forgiveness, Justice, and Peacefulness.
